MASTERFUL REGIONAL CUISINE

In the main dining room of each of our paddlewheelers, elegant ambiance pairs with attentive service to provide a grand comestible show. While serving staff caters to every need on the frontlines, the culinary team creates artful, regionally influenced dishes behind the scenes. Enjoy several courses during every flavorful encounter.

Our talented servers are seasoned to build connections with guests, for thoughtfully personalized dining experiences. Do you enjoy a glass of milk instead of wine or beer with dinner? Order it once, and don't be surprised to see a glass brought to your table each of the following evenings. That type of attention to detail makes dining with us a true pleasure.

Our casual alternative venues offer convenient and quick options to enjoy flavorful dishes in a more laid-back setting. Guests are welcome embrace diverse cookery ranging from a light dish to a full-plate feast at a buffet-style dining experience complete with bar service, skillfully carved meats, delectable side dishes and a potpourri of snacks such as ice cream, popcorn and freshly baked cookies. Enjoy seating inside or, weather permitting, venture outdoors for an open-air dining experience.

Regardless of the desired aesthetic, dining aboard any of our exquisite paddlewheelers offers countless flavors, sights and scents to satisfy both stomach and soul.

The theater is alive with the sounds of our captivating company of entertainers. From the Riverlorian's expert revivals of the past to nightly musical spectacles, entertainment aboard the any of our paddlewheelers is never lacking.

Each day presents a new port of call – a new place to explore. Our Riverlorians make sure that there is a deep understanding of each location as they hold daily talks to highlight the history of the region. From the adventures of Meriwether Lewis and William Clark to encounters with Native peoples, stories of the past are resurrected and displayed in stimulating bursts of knowledge.

Soulful harmonies are mastered in the evening as back-to-back performances satisfy every taste. The intimacy of the space grows with each movement; it's a call to motion – begging the audience to sway, snap and sing along. A thoughtful sequence of melodies from the past naturally blend with one another, and the synergy among performers only strengthens the impact.

All of the daily festivities lead up to the appearance of late-night performers who captivate lounge areas and play classic favorites as the bar staff serves an array of masterfully constructed cocktails. The familiarity of those sessions brings loved ones close and invites them to remember many firsts: dances, kisses, loves. The sweetness of sentimentality lines the walls, and carries passengers through the evening.

Experience entertainment at its best with American Queen Steamboat Company.
